

Are you between 13 and 25-years-old?

Is it hard for you to find a safe and stable place to sleep?

# Come and Be Counted

People don't understand enough about young people who don't have a stable place to call home. This summer, **Community** is doing a one-day count of how many young people are without a safe and stable place to sleep in our community. We need your help to make sure all youth are counted. Taking part in the count is safe and we will keep everything you share with us private. You will receive a **\$5 gift card** for your participation. Please come and be counted on **date/time/location**.
